### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose, in a nail forming machine with a clamping jaw for gripping wire to form nails having a main body with a bottom surface including a countersunk cavity with the body being split partially in a longitudinal direction to define a gap between first and second clamping fingers that define a recess between the fingers to receive a removable insert and a fastener to draw the clamping fingers together to hold the insert, wherein a projection including a first section extending from the first clamping finger and a second section extending from the second clamping finger and a clamping element in the countersunk cavity engaging the first and second sections of the projection to draw the first and second clamping fingers together.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Ed Tolan whose telephone number is 571-272-4525.
